Jennifer,

FYI, Peter Borst is a research biologist (cancer/molecular biology research) with Cornell University who is also a hobbyist beekeeper who writes regular articles for the *American Bee Journal*.

Good morning, Dr. Borst,

David Fischer forwarded your request to review the Pollinators book scheduled to publish later this month. Please send me your full mailing address or the type of e-reader you use, and I will ask the publisher to coordinate a review copy with you.

Thank you for your interest!  
All the best,  
Jen
